## Government Contracting

### FREE! Government Contracting Workshop for Small Biz

There has never been a better time for you to do business with the Federal government, the world's biggest purchaser of goods and services.

If you are exploring opportunities that exist for your business or have just started selling to Federal agencies, this workshop is for you.

Learn how to make your way through the procurement process and compete effectively for your share of the Federal government's business. There will be an overview of SBA's various contracting programs including the 8(a) Program

and HUBZone Program.

Please see the side bar for workshop details. Reservations are required as seating is limited. To make a reservation, please [click here](#).

### SBA Recovery Act Contracting Opportunities - FAQ

- ◆ **Q:** Is there an opportunity for small businesses to get contracts under the Recovery Act?  
**A:** Yes. The SBA is committed to helping small business get connected with contracting opportunities as a result of the Recovery Act. SBA's Procurement Center Representatives are working with federal agencies to ensure that small businesses get their fair share of the prime and subcontracting opportunities stemming from the Recovery funds. [More...](#)
- ◆ **Q:** How do small businesses learn about contracting opportunities at the state and local level under the Recovery Act?  
**A:** Although these will be federal dollars, they will in many cases be provided directly to the states and localities. The State and local governments, municipal utility and school districts will award contracts using their currently established ...
