

First Aid and CPR Certification

Are you prepared to provide assistance in an emergency?

Attend this training and you will learn the life saving techniques for an emergency injury situation that can make a difference in saving a life.

Training includes:

- How to apply first aid
- Cardiopulmonary Resuscitation (CPR) techniques
- Continuity and rhythm application using real-life mannequins
- Certification for two years for those who pass.

This course will comply with the Cal/OSHA regulation 1512 (Construction Safety Order), 3400 (General Industry Safety Order), and meets the American Red Cross training specifications.

Presented by:
Alert Medical Training, Inc.
