**Central California
Builders Exchange**

This Month's Topic: *Getting ready for the EPA's
Lead-Based Paint Renovation, Repair and Painting Program*

By April 22, 2010, all contractors and firms will need to be trained and certified if they disturb lead-based paint in pre-1978 homes. Please join us as we discuss:

Lead 101

How do firms become certified?

Where are renovators trained?

How are the firm's employees trained? - and

What are the Lead Safe Work Practices that must be followed?

Guest speaker: *Sigrid E. Anderson, Registered Environmental Health Specialist, is employed by the County of Fresno, Department of Public Health. For the last ten (10) years, she has been a State Certified Lead Inspector / Assessor for the County's Childhood Lead Poisoning Prevention*
