Safety Council ***BREAKFAST*** Meeting

Topic: Global Harmonization System
New Hazard Communication Requirement

How many of you are aware of the changes in the Hazard Communication requirement, expected to take affect this year?

Do you know what the changes are, why, and how they will impact you?

This topic will focus on the Global Harmonization System (GHS), what it is, why it's come about, and changes you can anticipate. The impact GHS will have on your company and in relation to obtaining jobs in the future will also be discussed. Attendees will learn about the changes they need to make with regarding hazard communication, MSDS updating and management, and how they can improve their own system to be in compliance and beyond.
